**RE: FREE TAX HELP BY EXPERIENCED PREPARERS  
AVAILABLE TO THE PUBLIC**

**DATE: January 2012**

We need your help to get the word out to your community.

Community Tax Aid, Inc. (CTA) provides free tax preparation for New York City's low income taxpayers. Many of the individuals and families we help face special tax problems and do not receive the refunds they deserve unless they file. **The NYC School Tax Credit is available to every NYC resident who is not a dependent on someone else's tax return. So every individual or family living in NYC should file a return. The credit is \$62.50 for an individual and \$125 for a married couple filing jointly or a family.** CTA will prepare returns for 2008, 2009 and 2010 as well as for the current year, 2011.

CTA as offered this service since 1969. Our organization is an all volunteer program utilizing fully trained professionals, including CPAs and attorneys.

Please help by including an announcement in your community newsletters and by posting it on area bulletin boards from January through April.

For your convenience we have enclosed a copy of our flyer giving requirements and the times and locations where we will be available. It is two sided! Please feel free to duplicate it.

In addition, we have enclosed a press release in both English and Spanish that explains our services.

Thank you for your assistance.

Emil Gomez, CPA, Chairman
