Con Edison plans to work on East 75th Street between York Avenue and the FDR on Thursday and Friday (August 28 and 29), 9 a.m.– 2 p.m., to install six four-inch conduits in an area toward the east end of the block from in front of 515 East 75th Street to the East 75th Street Substation.

Work to abate and demolish retired TA facilities in the East 75th Substation and in the street on East 75th between York Avenue and the FDR is scheduled to begin as early as the second week of September. We will provide more details as soon as they are available.
