
MEMORANDUM

TO: MEMBERS OF COMMUNITY BOARD 8
FROM: CHARLES S. WARREN, CHAIR
SUBJECT: PROPOSED LOCATIONS FOR PUBLIC PAY
TELEPHONE INSTALLATIONS
DATE: MARCH 18, 2004

We have received from the NYC Department of Information Technology and Telecommunications a list of proposed locations for the installation of 121 public pay telephones in our district. In order to meet our legal obligation to comment on these proposed locations within 30 days of receiving this list, we have scheduled a **Public Hearing at our Land Use Committee meeting on Wednesday, April 14, 2004**. The meeting will take place at Hunter College School of Social Work, 129 East 79th Street, (Park-Lexington), Auditorium, 7:00PM.

We have attached a list of the proposed locations for your review. Comments to the NYC Department of Information Technology and Telecommunications must relate to the enclosed siting criteria. We strongly encourage you to inspect each location for compliance with these rules.

Additionally, per the NYC Landmarks Preservation Commission, there is a moratorium on the installation of these telephones in historic districts or adjacent to landmarked properties. If any of the proposed locations meet these criteria, please include that information in your comments, which should be emailed or faxed no later than April 12th.

Although we appreciate that our sidewalks are already very crowded with pedestrians and street furniture, and that the addition of 121 new pay telephones will further impede us, the NYC Department of Information Technology and Telecommunications will disregard comments that are not substantive.

Please feel free to contact District Manager Elizabeth McKee with any questions. We look forward to your participation.
